Integrated Systems Europe (ISE) Leading Systems Integration Trade Show

What is ISE?

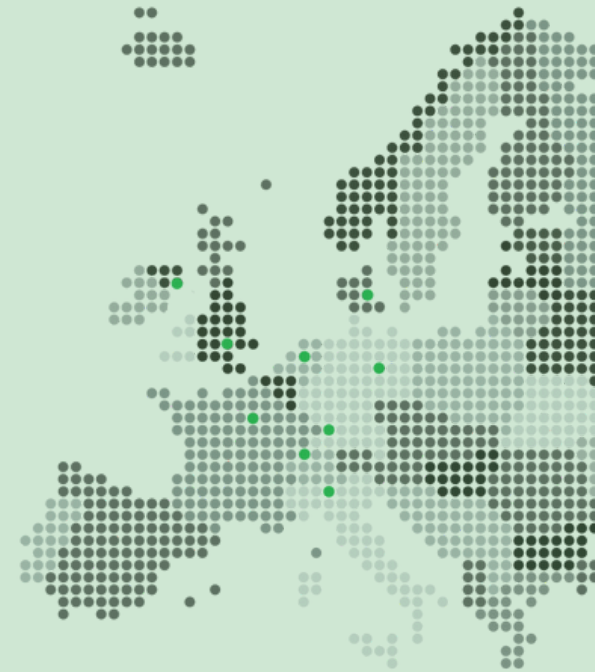

ISE (Integrated Systems Europe) is the world's largest trade show dedicated to audiovisual systems integration and information technologies.

What kind of exhibitors does ISE attract?

ISE attracts a wide range of exhibitors, including AV technology manufacturers, systems integrators, home automation companies, and IT solutions providers.

What new features were showcased at ISE 2024?

ISE 2024 was a showcase of innovation, featuring new solutions in system control, projection displays, and media management software. Additionally, award-winning products like the 7thSense R Series were launched.
