Testaje por PCR – En Cualquier Lugar – En Cualquier Momento

Estandarizado y escalable, el Sistema GeneXpert® le permite extender el diagnóstico molecular a muchos más pacientes, incrementando la conectividad dentro del espectro hospitalario. Entregue resultados precisos y fiables siempre a tiempo.

Desde dentro del hospital hasta entornos cercanos al paciente – Realice pruebas con **mayor** eficacia

- HOSPITAL
- ATENCIÓN PRIMARIA
- URGENCIAS
- MATERNIDAD

Impulsándole a testar con mucha **MÁS** precisión

El Sistema GeneXpert® es la solución de diagnóstico molecular con mayor precisión, que ofrece un tiempo para más de 30 minutos.
